

Florida Keys National Marine Sanctuary Water Quality Protection Program Report to Congress

The Steering Committee shall, on a biennial basis, issue a report to Congress that—

(i) summarizes the progress of the program;

(ii) summarizes any modifications to the program and its recommended actions and plans;

and

(iii) incorporates specific recommendations concerning the implementation of the program.

Public Law 101-603 (H.R. 5909), Florida Keys National Marine Sanctuary Act, 1990

What we've done to date:

- Data gathering from the WQPP and drafting
- Compilation, review, initial edits
- Heavy edits/compression
- *Final edits by WQPP**

Next steps:

- Verification of 508 compliance and readability
- Submittal to EPA regional leadership for review
- Final to WQPP SC for vote
- Submittal to Office of Public Affairs (Congressional Office) for review and submittal to OMB
- Final approvals
- A printed copy is hand delivered to Congress*
